

Invocation

OH GREAT SPIRIT, Saints and Sages of all religions, all places and all times.
And to my own precious, Ishta Devata, I bow to you all.

Sweep clear the obstacles on our path and lead us to the other shore of
that Ocean of Awareness.

O ye Powers that Be. Help us to awaken in all aspiring souls your eternal
wisdom and unselfish love.

Om Shanti Shanti Shanti

Kriya Invocation of Refuge

I give refuge to enlightenment:
The great pathway.

I give refuge to the dharma of truth:
The great teacher.

I give refuge to Guru:
Internal. Eternal.
Great friend and great companion.

I give refuge to stillness:
The great revelation.
