

## The Great Invocation

From the point of light within the mind of God,  
Let light stream forth into the minds of every every being on earth.  
Let light descend toward the earth.

From the point of love within the heart of God.  
Let love stream forth into the hearts of every being on earth.  
Let love descend on the earth.

From the center where the will of God is known,  
Let Divine purpose guide the wills of every being on earth.  
The purpose which all the Saints and Sages and Holy Masters  
know and serve.

From the center which we call the human race,  
Let the plan of love and light work out.  
Let light, love, and power, descend on earth.  
Let light, love, and power, restore the divine plan to the earth.
